February 2024

CECIL AND FLORENE LIMBURG SCHOLARSHIP APPLICATION DEADLINE: APRIL 30, 2024

The Optimist Club of Central Fairfax is pleased to announce that applications will be accepted for the Cecil and Florene Limburg Scholarship, named after two outstanding and long-time members of our club. The Club is sponsoring this scholarship to assist in the further education of a student who has demonstrated an interest in serving his/her community and/or exhibits the potential for leadership roles in his/her selected career path.

ONLY graduating seniors from the following high schools are eligible: Fairfax, Lake Braddock, Robinson, and Woodson.

Optimist International is a national service organization established in 1919. Our original purpose of aiding “wayward boys” has evolved into serving all youth in the community and promoting leadership development, community service, and respect for law and providing opportunities for our youth to improve themselves.

The Optimist Club of Central Fairfax was chartered in 1986 and has been bringing out the best in youth through our numerous community service programs and projects, including this scholarship contest. More information about the club can be found at www.fairfaxoptimist.org.

Forwarded, with this announcement, is the scholarship application that can be shared with interested students.

If there are questions regarding the scholarship, contact Kim Moden 703-250-6065, or modenrk@cox.net.
